Why life sciences companies choose Apps

We speak your business.

We know your processes by name, and we talk to finance, quality, and operations as directly as IT.

Validated on day one, and every release after.

Evidence gathered as we build, then kept current through every Oracle release. Built in for 10+ years.

We've seen what's next.

From preclinical to global expansion and back into trials, we meet you where you are.

Big-firm capability, specialist agility.

Everything the big firms do, end to end, from a pure-play Oracle partner, with less complication.

> "Having Apps Associates manage all the validation was a big help. It took a lot of weight off of us."
>
> IT Lead, Global Medical Device Manufacturer

> "When you're looking for a partner that can do end to end... the only one that really can do it is Apps Associates."
>
> Industry Account Executive, Oracle
